### **Greetings from HM Safety Certifications!-**

Thank you for starting your journey to certification with HM Safety Certifications! We are dedicated and passionate about your future and what you decide to do with your certification after you complete our course and will take great strides to ensure that by the end of your course, you will have the competency and confidence to use your skills in a life-saving emergency.

### **Course Information**

The American Red Cross blended learning course will prepare you to prevent, recognize and respond to emergencies. The eLearning portion of this class is scenario based and will introduce you to the skills that you will practice and master during the in-person skill sessions. Allow significant time to complete the eLearning portion, including any final eLearning exams. Once the online learning section is complete, the link will provide you a certificate showing that you completed the section. Make sure you save an image of that certificate on your phone or print the certificate out. The online learning section of the class must be completed prior to attending the classroom demonstrations. ***The online learning section must be completed prior to the first day of training. Students who do not provide their certification may be bumped to a future class.***

On the Resources Tab, find and select your online learning assignment. Once registered, you will be able to complete the online learning assignment for the course.

It is highly recommended that the online learning is completed on a PC or Mac, using Google Chrome, Microsoft Edge, Apple Safari, or Mozilla Firefox as your browser. Difficulties arise when completing the assignment on certain cellular devices and tablets, or on newer operating systems such as OperaGX.

**Successful completion of this eLearning content alone will not result in certification.** This eLearning content must be taken in conjunction with at least 19 hours and 45 minutes of in-person training and evaluation led by an American Red Cross Lifeguarding Instructor. To earn certification, participants must:

- Meet the age requirement – 15 years old on or before the final scheduled in-person session of the course.
- Pass the pre-course swimming skills evaluation.
- Attend and actively participate in all class sessions.
- Demonstrate competency in all required skills.
- Complete all eLearning modules and reading assignments as assigned by the instructor.
- Pass all final exams with a minimum grade of 80%.
- Pass all final skill scenarios.

Lifeguarding Classes will be held at the following locations and times:

	Las Vegas	Phoenix	Salt Lake City
Day 1 Saturdays (Aquatic Session)	SkyView YMCA 3050 E Centennial Pkwy North Las Vegas, NV 89081 10am-8pm	Ability360 – Phoenix 5025 E. Washington St Ste 200 Phoenix, AZ 85034 10am-8pm	The Scuba Dive 2478 W 12600 S, Riverton, UT 84065  10am-8pm

**\*\*\*PLEASE NOTE\*\*\***

**Aquatic sessions may be moved to new facilities due to scheduling conflicts. Updates to the locations of aquatic sessions will be provided via email.**

Students will spend their classroom time reviewing concepts from the online learning section and demonstrating competency in a hands-on environment. This includes lecture, videos, demonstrations, and critical thinking exercises. ***Students are to demonstrate competency in all areas in order to pass the class and receive their certification. Students who do not show competency in all areas will be bumped to a future class.*** Students who complete the online course and their classroom session will receive their two (2) year certification through the American Red Cross. Students will receive their certification via email, and it will be sent to the email associated with the online learning assignments.

Students who do not receive their certification will be eligible for a retake for the course. The retake will include the entire in-person session of the course, including all previously passed sections. Students will be slotted into available open slots dependent on current enrollment. The cost of the course retake will be \$50.

## **HM Safety Certifications Code of Conduct**

We strive to be a safe, professional, and enjoyable learning environment where students can learn effectively. As such, we do have a few ground rules:

- There are no refunds for the class. If you are removed from the class due to attendance or performance, then you will be bumped to a future class to complete your training. However, students removed from the class due to conduct will not be allowed to return.
- Students are to treat each other with professionalism and courtesy at all times. This includes how students talk with each other, as well as how they interact with each other. HM Safety Certifications has a zero-tolerance policy for bullying and harassment, and student found partaking in these actions will be removed immediately.
- Classes will be held at multiple facilities. Students are to make sure that they are following the rules and regulations of each facility at all times.
- Phones must be turned off at the start of class. They may not be turned on until break or at the end of the session.
- Participation in activities is mandatory. If you don't demonstrate, I can't evaluate.
- Use all training equipment for its intended use. Do not misuse or abuse equipment.

## **HM Safety Certifications Likeness & Use Agreement**

Sections of each course may be photographed and/or recorded for performance evaluation of skill assessment scenarios as well as social media content development. By registering for a course, students provide consent to be photographed and recorded throughout the course. Students hereby grant to HM SAFETY CERTIFICATIONS LLC its agents, employees, licensees, and successors in interest all ownership rights and the absolute and irrevocable right and permission to copyright, use and publish the photographed likeness of students in the course. The Likeness may be copyrighted, used and/or published individually or in conjunction with other photography or video works, and in any medium (including without limitation, print publications, public broadcast, CD-ROM format) and for any lawful purpose, including without limitation, exhibition, illustration, promotion, publicity, advertising and electronic publication. Students waive any right to inspect or approve the use of the Likeness, or the advertising copy or printed matter that may be used in connection with the use and/or publication of the Likeness. The student releases HM Safety Certifications LLC. (and all persons acting under its permission or authority) from all claims for libel, slander, invasion of privacy, infringement of copyright or right of publicity, or any other claim related to the Likeness.

We know that this is a lot of content to share in a short amount of time, however we want to give all of our students the best chance of success in our program so that you all can start your future careers.

If there are any questions between now and the start of class, please feel free to email us at [hmsafety@outlook.com](mailto:hmsafety@outlook.com), or call us at 702-742-4322 so that we can answer any questions you may have.

Once again, thank you for training with HM Safety Certifications, and we can't wait to see you in class!
